

LABITCONF™

'26

**Started in 2013, LABITCONF became the
longest running Bitcoin Conference in the world
and the #1 industry and community gathering in LATAM**

**We are a blend between highly curated content
with top notch international speakers
and an array of fun and immersive experiences**

CREATE

Labitconf provides an excellent environment for testing new products, and brainstorming for new ideas for the specific region's needs.

RELATE

Connect with all the LatAm industry leaders and projects and people seeking to join your lines including developers or local BizDevs.

EXPOSE

This is the #1 event for addressing LatAm at a whole and gives you valuable local promotion and international press coverage.
